# PAPER DOLLS SEW-ALONG—#6

## How to Make Blocks 11 and 12

1. Trim the background blocks, where necessary, to measure 8in x 12in.
2. Follow the fusible applique instructions provided in Instalment #1 to complete the blocks, then set aside.

### Diagram 1 ▼

- You don't need to blanket stitch the bottom edge of the shoes or tree trunk.
- The top of the girl paper doll's heads (crown of hair) are positioned approx. 1 7/8in down from the top of each block. The shoes are fused last, overlapping the legs where necessary to fit.
- The top of the tree is positioned approx. 1 1/4in down from the top of the block.
- Embellish the paper dolls as you wish. Sew a French Knot to their ears for earrings, stitch a bracelet, add buttons to their clothing. The possibilities are endless. Most of all have fun!
