PAPER DOLLS SEW-ALONG—#8

How to Make Blocks 15 and 16

1. Trim the background blocks, where necessary, to measure 8in x 12in.
2. Follow the fusible applique instructions provided in Instalment #1 to complete the blocks, then set aside.

Diagram 1 ▼

- You don't need to blanket stitch the bottom edge of the shoes.
- The top of the girl paper doll's heads (crown of hair) are positioned approx. 1 7/8in down from the top of each block. The shoes are fused last, overlapping the legs where necessary to fit.
- The top of the boy paper doll's heads (crown of hair) are positioned approx. 1 3/8in down from the top of each block. The shoes are fused last, overlapping the legs where necessary to fit.
- Embellish the paper dolls as you wish. Sew a French Knot to their ears for earrings, stitch a bracelet, add buttons to their clothing. The possibilities are endless. Most of all have fun!

Tip!
Use a lightbox or sunny window to help trace the features on the appliqué shapes before you fuse them to the background block.
